Ague Cure Is a purely vegetable bitter and powerful tonic, and is warranted a speedy and cur-tain cure for Fever and Ague, Chills and Fever, Intermittent or Chill Fever, Remittent Fever, Dumb Ague, Periodical or Billous Fever, and all malarial disorders. In miasmatic districts, the rapid pulse, coated tongue, fairst, lassitude, loss of appetite, pain in the back and loins, and coldness of the spine and extities, are only premonitions of see inptons which terminate in the iroxysm, succeeded by high fever and profuse perspiration.

It is a startling fact, that quinine, ar-

It is a startling fact, that qualine, assenic, and other poisonois minerals form the basis of most of the "Fever and Ague Preparations," "Specifics," "Syrups," and "Tonics," in the market. The preparations made from these mineral poisons, and Tonics, in the market. The preparations made from these mineral poisons, although they are palatable, and may break the chill, do not cure, but leave the malarial and their own drug poison in the system, producing quinism, dizziness finging in the ears, headache, vertigo, and other disorders more formidable than the disease they were intended to cure. AYER'S AGUE CURE thoroughly eradicates and always cures the severest cases. It contains no quinine, mineral, or any thing that could injure the most delicate pa-tient; and its crowning excellence, above its certainty to cure, is that it leaves the system as free from disease as before the
